CCA Officers for 2008/09

At our April General Meeting, those that attended selected a slate of officers for the CCA Board 2008/09.

The 2008-09 officers are:

Dennis Cunningham-President
Beth Shafran-Mukai-Vice President
Bev Fitzwater-Secretary
Ken Podgorsek-Treasurer

The CCA Board meets every First Tuesday of the Month. All are welcome to attend and participate.

Bark in the Park Makes Contributions to Enhance Downtown Living

Over the past several months, Bark in the Park, has made donations to Selma Olinder, Lowell, and Horace Mann Elementary Schools to enhance the education of our downtown children.

Bark has also made donations to the San Jose Public Library Foundation for the *new* Joyce Ellington Library and to the 13th Street NAC to match donations by downtown neighbors to extend the hours at Ryland Pool for eight (8) Saturdays this summer.

Lastly, we made a directed donation to San Jose Animal Services to help enhance the lives of our furry friends here in San Jose.

CCA Beautification is in the process of doing a park beautification project at the William Street Park with funds earned at the very first Bark in the Park. Go by and take a look. They are doing a great job.

Interested in Volunteering Bark in the Park 2008 Saturday Sept. 20, 2008 Email

Volunteer@BarkSanJose.org

We need volunteers. Volunteers help us maximize our return so that we can continue the many thousands of dollars of investments we have made in beautifying Naglee Park and enhancing the lives of all Downtown Residents.

From the Editors Desk

by Ken Podgorsek
Guest Editor

Congratulations to Beth Shafran-Mukai

During May and June, District Wide Caucuses were held in all 10 San Jose Council Districts to recommend appointments to the new San Jose Neighborhoods Commission. These recommendations will be sent to the City Council for approval and appointment.

District 3 had 22 Neighborhood Associations represented at our caucus. Outgoing CCA President Beth Shafran-Mukai ran for one of the 3 seats for District 3 on the Commission. I am very proud to say that she was selected by all 22 neighborhoods in a unanimous vote to be recommended to the City Council for appointment to the new San Jose Neighborhoods Commission. She was the only candidate at the District 3 Caucus to be recommended by all the D3 neighborhood associations.

Beth Shafran-Mukai has been a tireless advocate for neighborhoods in San Jose. As a member of the SNI Project Area Committee, she has continuously advocated to increase the voice of neighborhoods at City Hall. She has earned the respect of neighborhood leaders throughout D3 and San Jose. She deserved the recognition of her efforts from this vote.

As CCA President, Beth has invested hundreds of hours these past 3 years looking out for our neighborhood. She will continue her advocacy for our neighborhood by remaining on the CCA Board as Vice-President.

On a personal note, as some people may know, Beth and I did not meet under the best circumstances. As CCA President at the time, I challenged her to get involved and to be part of the process. She took up that challenge and took it up with "gusto". I respect Beth, both as a Neighborhood Leader and as a Friend.

Congratulations Beth, many thanks for all that you do to make San Jose a great place to raise our families.

Please take a moment when you see Beth around the neighborhood to say, "Thank You".

CCA Celebration 2008

Schedule of Events

- 8:00 am Registration for Race
Meet at William St Park
- 8:30 am Race Begins
- 9:00 am Bake-Off Entries must be in
Deliver to 585 South 12th Street
- 12:30pm Assemble for Parade at
S 14th and San Salvador Sts.
- 1:00pm Parade Begins
- 1:45pm Neighborhood Block Party on the
600 Block of South 16th Street

Campus Community Association
A Historic Neighborhood Established in 1902

Blind Auction-Restaurants, attractions, sporting events, and much, much more.

The 32nd Annual CCA 4th of July Parade

It's time to fire up those creative juices. Join our 2008 4th of July Parade **Grand Marshal**

The Naglee Park Children (Young and Old) as you parade around the neighborhood. Decorate bikes, wagons, cars or anything that can move.

Meet at 12:30pm at the corner of 14th and San Salvador Streets. Starting at 1pm, we'll parade over to 16th St, down to San Antonio, then back up to 15th to William Streets. Everyone is welcome to join in or watch.

New Babies Cars

All new babies born since the last 4th of July and their parents are welcome to ride in the New Babies Cars. Please contact

Beth Shafran-Mukai at 408-292-9492 or email vp@naglepark.org. Convertible owners please call Beth to volunteer your vehicle.

Big Neighborhood Block Party

Picnic, Potluck, and BBQ. All Naglee Park residents, family and friends are invited to join together. Spread a blanket on the grass and enjoy the day. A donation of \$6 for adults is requested.

One Blind Auction Bid is included with your donation. Children under 18 are free. Beverages and a HUGE BBQ grill are provided. Bring a potluck dish to share, something to BBQ, utensils and plates. Block Party is held on the 600 Block of South 16th Street. The CCA 4th of July Block Party is partially funded with a City of San Jose CAP Grant

Pres' Says

by Beth Shafran-Mukai

CCA President

president@nagleepark.org

Happy summer! Hope that everyone's many home projects and gardens are going (and growing) well.

This will be my final President's column for our Campus Community Association newsletter, as I am completing my third year in this role. While I will continue to serve on the CCA Board, Dennis Cunningham will be our new CCA President starting in July. Many in the neighborhood have recently worked with Dennis as he administered our recent and very successful program to cost-share the maintenance of Naglee Park's street trees, and with him through many years of his other neighborhood involvement. The tree program is being considered a "best practice" in the city, and other neighborhoods are hoping to model this approach. Congratulations to Dennis as our new CCA President!

You may have noticed the installation of the new streetlights along William Street; these will be followed soon by many Naglee Park banners around the perimeter of the neighborhood, funded by CCA. Our Beautification Committee deserves recognition for all of their outreach, planning, and design work on the banner project, which will create an attractive and distinctive gateway into the 'hood.

We hope to also have special "Bark in the Park" banners along William Street in the future, to showcase Naglee Park's own BARK festival. Did you know that BARK is the biggest dog-related festival in the United States!

Summer is now here- so that means it is time to start planning for both the July 4 Parade and Party and Bark in the Park. Cici Green is our July 4 Chair again this year, so please let her know if you can help with July 4 planning and the event itself. Ken Podgorsek is BARK Chair, and I am BARK Volunteer Chair. Please let us know if you can assist at BARK, which will be held on Saturday, September 20, 2008. There is something fun for everyone, including the kids - whether you want to help the evening before by setting up, or at BARK by

working a booth, being a Greeter, doing "park patrol" or in many other opportunities to be of service to the community while having a great time with friends and family.

Our District Three Neighborhood Caucus was held several weeks ago, and three Neighborhood Commissioners were chosen. I am honored to be among them, and will continue to advocate for neighborhoods in this role. Starting later this summer, the Commission will put together its' initial work plan and priorities, review these with the City Council, and start supporting neighborhoods throughout San Jose. I am told that the City of San Jose has just received an award from a large national organization for the creation of the new Neighborhoods Commission. Perhaps in time this will also be considered a best practice and be implemented in other cities.

I thank each and every one of my neighbors for the wonderful community that we live in here in Naglee Park. Being involved in our neighborhood has been a great experience, definitely worth the time and effort involved. I encourage everyone to consider becoming involved on a CCA committee or project, and adding their voice and experience to our downtown.

E. William St Bridge at Coyote Creek Seismic Retrofit Project

Background:

After the Loma Prieta earthquake in 1989, Caltrans reviewed all the bridges in the City of San José and rated each structure for seismic adequacy. The E. William Street Bridge at Coyote Creek has been identified as being deficient with respect to seismic resistance. This bridge is warranted for seismic retrofit to meet current Caltrans seismic design standards. A design consultant has prepared plans and specifications for the project.

The proposed seismic retrofit strategy has two main objectives. (1) To prevent collapse of existing structure during the maximum credible earthquake event. (2) To provide an economical and constructible retrofit with minimum impact to Coyote Creek and to the existing E. William Street traffic patterns.

Project Description

Seismic Retrofit of E. William St. Bridge at Coyote Creek.

Scope of Improvements

Replacing existing deteriorated rocker bearings at abutments with elastomeric bearing pads with steel metal sliding surfaces. Installing elastomeric bearing pads at the piers (columns). Replacing existing abutment expansion joint pads.

Construction Schedule

Start Construction: July 2008

Construction Completion: October 2008

Construction hours: M-F 8:00 AM to 4:30 PM

Project Funding

Based on Engineer's Estimate Project cost: \$220,070.

To fund this seismic retrofit project, a federal grant has been approved through the Federal Highway Bridge Replacement and Rehabilitation Program. The grant will reimburse up to 88.53 percent of the project cost.

Construction Issues Mitigation Measures

Majority of retrofit work to occur under the bridge deck. Occasional traffic lane closure during bridge jacking. Noise mitigation by use of small scale construction equipment. As required by Federal & State Environmental document, creek will be protected from erosion & pollution during construction. Access to Residential driveways & Park will be maintained at all times. Fencing Temporary Construction Storage Area with Privacy Screen

Horace Mann School News

By Anna Heckman

The 2007-08 school year is winding down and there's been a flurry of activity at our neighborhood school.

After completing their California Standards Tests (CSTs) in mid-May, students began researching and experimenting for their science fair projects. The second annual Science Fair was held May 30th and featured individual, small group, and whole class projects from kindergarten through fifth grade. In addition to student projects, the fair also provided several stations where students and their family members could conduct scientific experiments. The San Jose High Robotics Club brought their remote control robot cars and kids of all ages got to navigate the crazy cars through an obstacle course. New this year was a giant Earth ball you could walk into and see the Earth as if you were really inside its core.

On May 20th, during Open House, Horace Mann held its first art show, featuring student artwork from the parent-led Art Express program. Parents and the children alike were so proud of the artwork on display! It was great to see the culmination of all the hard work by the students and parents who volunteered their time to make this program happen. At the June 3rd city council meeting, the Art Express program received a commendation from councilman Sam Liccardo.

Among other end of the year events were the 2nd annual Horace Mann Foundation Golf Tournament at Los Lagos golf course and the Multi-Cultural Festival on June 7th. The Horace Mann Choraliers kicked off the golf tournament with two songs and then approximately 80 parents and community members who came out to support the school headed off in their carts to enjoy a beautiful day of golf. The Foundation raised money for such things as funding gaps in fieldtrip costs, teacher trainings, and art supplies. The Multi-Cultural Festival featured foods, games, crafts, and entertainment from the American, Vietnamese, and Latino cultures.

As this school year comes to a close, we take in pride in the many accomplishments made this year and look forward to another great year in the fall. Leading us into the next school year will be new principal Juan Correa. Mr. Correa will become Horace

Mann's new principal on July 1st. He comes to us from Reed Elementary School, also in SJ Unified, where he has been principal for the past 3 years. Mr. Correa actually taught at Horace Mann many years ago, before he became vice principal at Graystone Elementary School. Mr. Correa has already attended many school events since learning he was coming to Horace Mann and the many parents who have had the opportunity to meet him are very excited to have him on board.

Five Wounds Catholic School

- Our average class size is about 19 students. Many of our classes have an additional instructional associate to assist in the classroom. Our faculty is comprised of highly qualified teachers and assistants.

- Our curriculum is based on the California State Standards and the Diocese of San Jose Outcomes. Because of our excellence, we are accredited by Western Association of Schools and Colleges as well as the Western Catholic Education Association. Additionally, our music program is fantastic.

- Because of our excellent academic preparation, this year all 8th grade students seeking admission to Catholic High Schools such as Bellarmine, Notre Dame, Archbishop Mitty, Presentation, St. Lawrence, and St. Francis were admitted.

Labyrinth Gatherings in the Neighborhood

Maybe it was having our gathering on the Ides of March that brought us the rain. We'll never know. Nevertheless, many hearty neighbors arrived to a lovely brunch at the home of Ingrid and Steve Quigley on 15th Street. Our original intention was to learn more about labyrinths, walk the Quigley's backyard labyrinth and help to repaint it. We ended up visiting, learning and enjoying a walk in the rain.

We have rescheduled the repainting event to Saturday, June 28, at 10:30 -11:30, 520 S 15th Street Please join in to enjoy a light brunch together and learn why so many people around the world are locating labyrinths to walk. Why is it different from walking the sidewalks of our beautiful neighborhood?

Also look forward to seeing a children's labyrinth at our annual July 4th celebration and a special labyrinth for dogs and owners at Bark in the Park! These events are part of our exploration of the public's interest in a inner city labyrinth project.

Joyce Ellington Branch Library Grand Reopening June 28th

On Saturday, June 28th, at 11:00 am, the new Joyce Ellington Branch Library will open its doors to the community. Located at 491 E. Empire (formerly the Empire Branch Library), the new library has more than doubled in size, with group and quiet study rooms, an internet café, teen room, fireside living room, and a marketplace with the latest titles on display.

The San Jose Public Library Foundation is raising funds to support this beautiful new branch. Contributions will help provide books, new language materials, multimedia resources, technology and enhance teen and children's areas in the library. Donations of \$100 or more will be recognized on a plaque in the library.

Until the East San Jose Carnegie Branch Library reopens, the Joyce Ellington Branch is near by, serving the needs of the Naglee Park community.

Please consider supporting both of these wonderful community resources; the Joyce Ellington Branch Library now, and East SJ Carnegie when it reopens.

**Contact the
San Jose Public Library Foundation
