Vice Mayor Cindy Chavez
Council District 3
801 North First Street, Room 600
San José, CA 95110

On October 2002, the membership of the Campus Community Association voted to withdraw from the Strong Neighborhoods Initiative. Our community has been pleased with your commitment to honor the vote. Since two years have passed, we are requesting an update report on progress to date, insight on upcoming opportunities and other relevant information.

Thank you for your consideration.

Sincerely,

David Erickson
President, Campus Community Association
