- The neighborhood has been restored to its earlier glory by the hard work of neighbors and the Campus Community Association.

While Visiting Naglee Park:

- The House of Bagels on E. San Carlos and S.11th Street offers brunch or treats and good coffee.
- Bring a lunch and picnic in William Street Park at William and S.16th Street
- Enjoy the varied architectural styles in the mix of Craftsman, Victorian, Spanish Revival and Prairie-style homes.
- You can walk by the Naglee Mansion, once the home of General Naglee, on the northwest corner of E. San Fernando and 14th Streets.

Win Prizes!

The Top 3 Open Studios Attendees that Visit the Most Sites Will Win a Prize!

Have the artist at each address sign your program next to their name—group and artist collective sites require only one signature. We will compare the signatures to a master copy.

Please submit your signed program to the last site, #28, by 5:00 pm on the day of the event.

The top 3 winners will be contacted and must pick up their prize in Naglee Park.
