Prepare. Plan. Stay Informed.®

Introducing

Introducing **Ready✓ Naglee Park** – your neighborhood emergency response program. **Ready✓ Naglee Park** is a group of trained neighbor volunteers ready to help you help yourself, your family, and your neighbors during a disaster.

The **Ready✓ Naglee Park** program is based on standardized procedures developed by FEMA with local direction by the City of San Jose Office of Emergency Management.

EARTHQUAKE ◆ FIRE ◆ FLOOD ◆ EXTREME HEAT

When disaster strikes, local emergency services will be overwhelmed and not able to provide assistance—rescue, first aid, or food—for long periods of time...sometimes *days!* Residents must be able to take care of themselves, their families, and neighbors. **Ready✓Naglee Park** is a community organization that trains individuals how to prepare and plan for emergencies and how to properly respond during an emergency.

POWER GRID OUTAGE ◆ GAS LINE RUPTURE ◆ TOXIC RELEASE/SPILL

Prepare

Ready✓Naglee Park is gearing up to help our neighbors learn how to--

- Prepare a personal “Grab-n-Go” kit for evacuation
- Prepare a Family Survival Kit for sheltering-in-place
- Get trained in First Aid, CPR, and AED...watch for updates
- Check your house and surroundings for fire hazards
- Learn how to safely shut off your gas
- Create an Emergency Financial First Aid Kit (EFFAK)
